BUSINESS IDEA

AI Content Creators Marketplace

Where creators and businesses meet, and AI helps make great content faster.

What is it?

An online platform where businesses find and hire creators, and creators use AI to make more content, faster.

1. Creators join

They make a profile and show their best work.

2. AI helps

It matches jobs, drafts scripts and edits videos.

3. Buyers hire

Brands pick a creator and pay safely on the platform.

CREATOR CONNECT AI

Connecting Brands with Generative AI Talent

The Shift

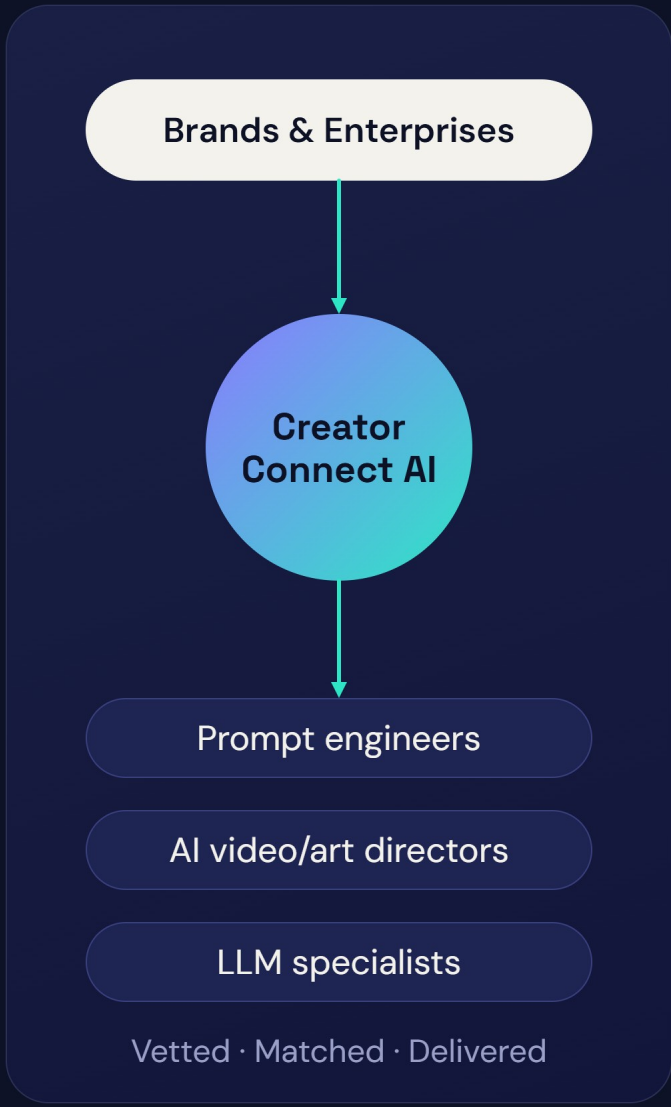

- Traditional content creation: slow and costly
- Enterprises need AI scale

What Creator Connect AI Does

- Bridges brands with vetted generative AI creators
- Prompt engineers · AI video/art directors · LLM specialists

Core Value
